

## **691.5 State medical examiner.**

The office and position of state medical examiner is established for administrative purposes within the Iowa department of public health. Other state agencies shall cooperate with the state medical examiner in the use of state-owned facilities when appropriate for the performance of nonadministrative duties of the state medical examiner. The state medical examiner shall be a physician and surgeon or osteopathic physician and surgeon, be licensed to practice medicine in the state of Iowa, and be board certified or eligible to be board certified in anatomic and forensic pathology by the American board of pathology. The state medical examiner shall be appointed by and serve at the pleasure of the director of public health upon the advice of and in consultation with the director of public safety and the governor. The state medical examiner, in consultation with the director of public health, shall be responsible for developing and administering the medical examiner's budget and for employment of medical examiner staff and assistants. The state medical examiner may be a faculty member of the university of Iowa college of medicine or the college of law at the university of Iowa, and any of the examiner's assistants or staff may be members of the faculty or staff of the university of Iowa college of medicine or the college of law at the university of Iowa.

## **691.6 Duties of state medical examiner.**

The duties of the state medical examiner shall be:

1. To provide assistance, consultation, and training to county medical examiners and law enforcement officials.
2. To keep complete records of all relevant information concerning deaths or crimes requiring investigation by the state medical examiner.
3. To adopt rules pursuant to [chapter 17A](#) and subject to the approval of the director of public health.
4. To collect and retain autopsy fees as established by rule. Autopsy fees collected and retained under [this subsection](#) are appropriated for purposes of the state medical examiner's office. Notwithstanding [section 8.33](#), any fees collected by the state medical examiner that remain unexpended at the end of the fiscal year shall not revert to the general fund of the state or any other fund but shall be available for use for the following fiscal year for the same purpose.
5. To conduct an inquiry, investigation, or hearing and administer oaths and receive testimony under oath relative to the matter of inquiry, investigation, or hearing, and to subpoena witnesses and require the production of records, papers, and documents pertinent to the death investigation. However, the medical examiner shall not conduct any activity pursuant to [this subsection](#), relating to a homicide or other criminally suspicious death, without coordinating such activity with the county medical examiner, and without obtaining approval of the investigating law enforcement agency, the county attorney, or any other prosecutorial or law enforcement agency of the jurisdiction to conduct such activity.
6. To adopt rules pursuant to [chapter 17A](#) relating to the duties, responsibilities, and operations of the office of the state medical examiner and to specify the duties, responsibilities, and operations of the county medical examiner in relationship to the office of the state medical examiner.
7. To perform an autopsy or order that an autopsy be performed if required or authorized by [section 331.802](#) or by rule. If the state medical examiner assumes jurisdiction over a body for

purposes of performing an autopsy required or authorized by [section 331.802](#) or by rule under [this section](#), the body or its effects shall not be disturbed, withheld from the custody of the state medical examiner, or removed from the custody of the state medical examiner without authorization from the state medical examiner.

8. To retain tissues, organs, and bodily fluids as necessary to determine the cause and manner of death or as deemed advisable by the state medical examiner for medical or public health investigation, teaching, or research. Tissues, organs, and bodily fluids shall be properly disposed of by following procedures and precautions for handling biologic material and blood-borne pathogens as established by rule.

9. To collect and retain fees for medical examiner facility expenses and services related to tissue recovery. Fees collected and retained under [this subsection](#) are appropriated to the state medical examiner for purposes of supporting the state medical examiner's office and shall not be transferred, used, obligated, or otherwise encumbered. Notwithstanding [section 8.33](#), any fees collected by the state medical examiner shall not revert to the general fund of the state or any other fund.

10. To provide staffing and support for the child death review team and any child fatality review committee under [section 135.43](#).

#### **691.6A Deputy state medical examiner — creation and duties.**

The position of deputy state medical examiner is created within the office of the state medical examiner. The deputy state medical examiner shall report to and be responsible to the state medical examiner. The deputy state medical examiner shall meet the qualification criteria established in [section 691.5](#) for the state medical examiner and shall be subject to rules adopted by the state medical examiner as provided in [section 691.6, subsection 3](#). The state medical examiner and the deputy state medical examiner shall function as a team, providing peer review as necessary, fulfilling each other's job responsibilities during times of absence, and working jointly to provide services and education to county medical examiners, law enforcement officials, hospital pathologists, and other individuals and entities. The deputy medical examiner may be, but is not required to be, a full-time salaried faculty member of the department of pathology of the university of Iowa college of medicine. If the medical examiner is a full-time salaried faculty member of the department of pathology of the university of Iowa college of medicine, the Iowa department of public health and the state board of regents shall enter into a [chapter 28E](#) agreement to define the activities and functions of the deputy medical examiner, and to allocate deputy medical examiner costs, consistent with the requirements of [this section](#).
